Looiersgracht 60, Amsterdam  
27 June – 26 July 2015

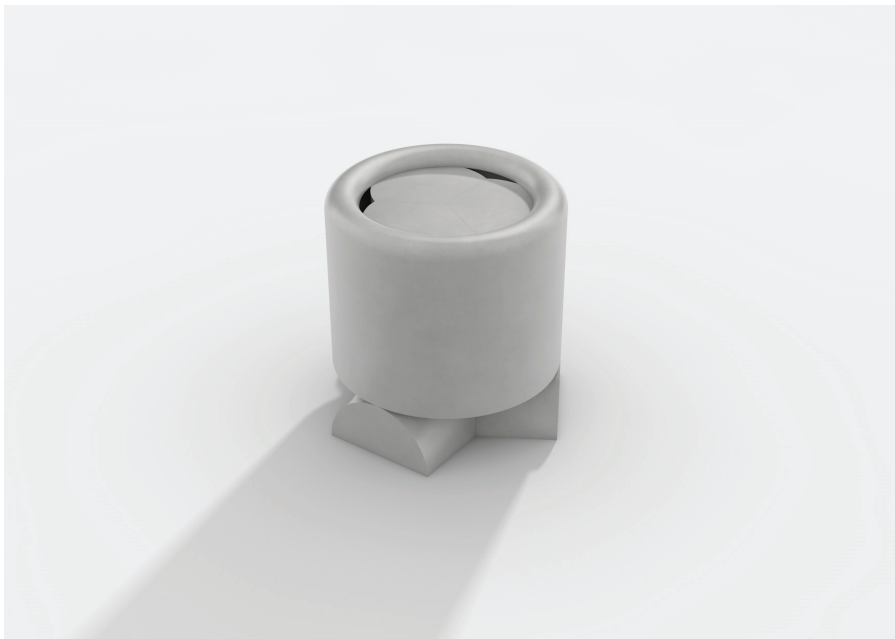

Preview: 26 June 5 pm

'Containing Content', a solo exhibition, will be opening this summer at Looiersgracht 60, an exhibition space for art, design and architecture. This exhibition focuses solely on pouring vessels, of which three will be presented for the first time.

Looiersgracht 60 has published a limited-edition paperback book in conjunction with the exhibition. The publication includes four perceptive essays by Glenn Adamson, Hans den Hartog Jager, Chris Reinwald and Gert Staal. This publication also features a foreword and interview with Aldo, written by Soraya Notoadikusumo and Nadine Snijders (directors of Looiersgracht 60). The book is available at the exhibition space.
